## Who are we?

We are committed and active local people working together through Our Food 1200 / Ein Bwyd 1200, a community-owned company.

### We want to:

- Reduce carbon emissions.
- Increase farm incomes and keep profits local.
- Create jobs and keep young people living here.
- Increase food security for our communities.
- Produce fresh, healthy and affordable food.
- Build strong local communities.
- Boost biodiversity.
- Build flood and drought resistance.
