

Living Levels: Wild Watch

Please use this form to record your wildlife sightings for the Living Levels Wild Watch project, and return it to SEWBReC by posting it to us at **SEWBReC**, **15 Talbot Road**, **Talbot Green**, **Pontyclun**, **CF72 8AD**. Alternatively you can enter your records directly by downloading the LERC Wales app! More information and download links can be found on our website: **www.sewbrec.org.uk/app.page**. You can also enter records via our online recording database, SEWBReCORD. More information can be found on our website **www.sewbrec.org.uk/submit-records-sewbrecord.page**

Date	Species	Location	Grid Reference (if known)	Abundance	Recorder's name	Comments
Example:19/02/2019	Lapwing	Goldcliff Saline Lagoons	ST3688271	7	A. Nonymous	

Date	Species	Location	Grid Reference (if known)	Abundance	Recorder's name	Comments

By submitting information on this form I agree that it may be collated and disseminated manually or electronically, including via the Internet, for environmental decision-making, education, research and other public benefit uses in accordance with SEWBReC's data access policy. Your name will form part of the biological record that is collated and disseminated. You can read our privacy notice on our website: http://www.sewbrec.org.uk/content/attachments/SEWBReC%20privacy%20notice.pdf
